4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THE CERTIFICATE

The Coordinator sports, instruction, training and coaching is employable within a large field of sports, regular sports, less regular sports and 'new' sports. He can for this very reason be employable in a large scale of organisations. He is mostly employed by organisations which are primarily geared at sports and exercises such as sport organisations, fitness centres, sports centres and exercise centres. He can also be employed in outdoor sports organisations or other ones which combine sports, exercises and recreation and organisations in which sports and exercises are part of the professional activity such as defense, firefighting and police force. The Coordinator sports, instruction, training and coaching can also work for organisations in which sports and exercises are part of a council support plan, for instance. He strives to meet short term and long term objectives regarding the sportive and recreative performances of the participants and/or sportsmen.

6. OFFICIALLY RECOGNISED WAYS OF ACQUIRING THE CERTIFICATE

Senior secondary vocational education features two learning pathways: the school-based pathway (bol) and the training on the job pathway (bbl).
In the school-based pathway, the majority of the course consists of theory at school. The extent of the practical component (vocational practice) is between 20% and 60%. In the training on the job pathway, the extent of vocational practice is at least 60% of the course. The participant works four days a week in a training company, and attends school for theory subjects just one day a week.
In principle it is possible to follow both learning pathways, but which pathway is offered will depend on the individual educational institution.

<p>Average duration of the education/ training leading to the certificate</p>	<p>4 years (6400 study hours) (depending on previous education)</p>

7. ADDITIONAL INFORMATION

Dutch senior secondary VET is based on qualification files, that each contain one or more qualifications. The information included in part 3 and 4 is derived directly from the qualification file determined by the Minister of Education, Culture and Science. The complete qualification file can be found at kwalificaties.s-bb.nl, only in Dutch.

Optional subjects are linked to the qualification. The optional subjects have a total size of 15% of the course duration. The optional subjects completed by the student are listed on the certificate.

Additional information, including a description of the Dutch national qualifications system, is available at the Netherlands National Reference Point (NRP): www.s-bb.nl. The NRP is the information centre for vocational qualifications in the Netherlands. SBB has been appointed in this capacity by the Ministry of Education, Culture and Science.
